

## Canterbury Netball Club Inc.

### REFUNDS:

For those members requesting refunds, could you please send your bank account details to the Treasurer, Danielle as soon as possible. We need to have a cut-off point, as Danielle (volunteer) would like to have a break and have them sorted by 10 December. After that point any payments requested will not be refunded until late January/February 2021. So please get on to it now.

We are unable to carry over monies for next year's registration as we close our books at the end of Dec. BNA and Netball Vic registrations costs change, usually upwards so that will affect our club registration fees unfortunately!! It shouldn't be a major increase but we like our facts before we make a decision on fees.

### INTENTION TO PLAY IN 2021

Could you please advise of your daughter's intention to play? There is a form with information on our website, however, for existing players we offer an opportunity to let us know prior to the club taking new players. You will be sent an early registration offer once our fees are set, from the club; this applies to players on the waiting list as well. Please forward your Intentions to The Administrator Gayle Lambert on: [gayle1010@outlook.com](mailto:gayle1010@outlook.com). We need to know the following:

**Player name:**

**Current team (if applicable)**

**Year level at school in 2021**

**Date of Birth**

**School attending in 2021:**

Could you please respond to this request as soon as possible and no later than **mid-December** as we anticipate registrations will be set by BNA & Netball Vic by that date and we can then work out our club fees.

**Trainings** will be Mondays normally Yr 4 or 5 (venue to be advised) & Weds at MacLeay Park, times depending on year level – 4.00/4.15 to 5.00/5.15 or 5.15 to 6.15/6.30; at this stage, commencing Feb 2021.

**Matches** are Term 2 and 3 so those doing summer sports on Saturdays and want to play netball should be able to do both. **However, note training for our club still applies and starts in Feb 2021.**

### 2021 CLUB REGISTRATIONS

Information on club registration costs to be advised around mid-December. Will keep you informed.

### MEET AND GREET WITH A TRAINING SESSION 2021

The Meet/Greet/training session will be held when the players return to school in Term 1. It will most likely be a Sunday and gives everyone an opportunity to get together. More details to come on this.

### PHOTOS

Thanks to our wonderful website administrator/club specialist coach/BNA coach we have all our teams on the website. We are just getting started and will add as we go along. Our umpires are the next project. Website address: [www.canterburynetball.com.au](http://www.canterburynetball.com.au), go to gallery and Photos.
